

SAVINGS when you sign up, then a PERSONALIZED RATE at renewal.

Personalize your rate based on how, how much and when you drive.

Here's how it works...

- 1 Look for a Snapshot device in the mail in about 5-7 days.

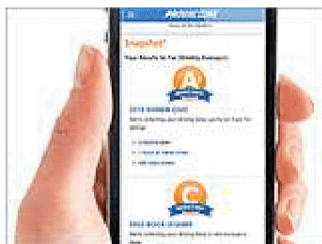

- 2 Plug the device in your vehicle. It's easy!

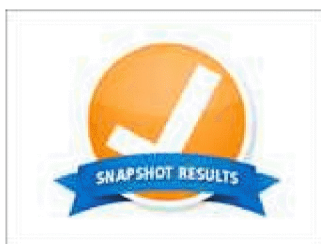

- 3 Drive with the device for about six months.

- 4 Check your progress online, anytime, to see how you're doing.

- 5 Earn your personalized rate.

- 6 Return the device - Progressive will email you when it's time.
